CORRIGENDUM

Because of mistakes in the editorial process (not by the author), one of the essays in the *Brown* symposium in the first issue of this volume was not published according to the standards of the *Marquette Law Review*. See Francis Paul Prucha, S.J., *Education of American Indians in the Age of Brown v. Board of Education*, 89 MARQ. L. REV. 87 (2005). The corrected version of the essay is available on the Law Review's website. The Law Review apologizes for the error and wishes to thank Father Prucha for his patience and understanding.
