SHARP AND ALLEMAN COMPANY'S LAWYERS' AND BANKERS' DIRECTORY

Sharp and Alleman Company, Philadelphia, Pa.

The July edition of Sharp and Alleman Company's Lawyers' and Bankers' Directory has been ready for circulation since the first of July

A new feature has been added—a list of the principal journals in the United States and Canada, devoted to the interests of the legal profession, arranged under State and City headings and properly indexed.

During the forty-one years, since the establishment of Sharp and Alleman Company's Directory, have been gathered over seven thousand competent and trustworthy attorneys and their names appear in the Directory classified so simply that in a moment these names may be found, covering every state, city and country town, in the Union, Canada and Foreign Countries.

The Directory contains a digest of the Commercial, Banking, Patent and Divorce Laws, together with Legal Forms, Court Calendars for all the states, as well as much other matter of a valuable nature. There are two editions yearly—January and July.

In addition to the Directory a "List of Attorneys" is published containing all of the names of attorneys as they appear in the Sharp and Alleman Standard Directory.

In the January issue, Sharp and Alleman Company are preparing a summary of the Inheritance Tax Law. Special compilations are being made by the compilers for the various states, on this very important subject.
