BAR ASSOCIATION MEETING

"Owing to conflict with the Elks' Carnival to be held at Chippewa Falls, June 28th to July 4th and because of the probable congested condition of the hotels at that time, the time for holding the Annual Meeting has been changed to

June 23 — 24 — 25 — 1921

Headquarters will be the new Northern Hotel, recently completed, one of the finest in the Northwest.

The Elks' Club Rooms occupy the fifth floor of this hotel. The Association will probably have the use of these rooms for its business and social gatherings. This will be a very pleasant and convenient arrangement.

Members are advised to make hotel reservations early so as to be sure of accommodations."

Announcement is made by The Frank Shepard Company that SHEPARD'S SOUTHEASTERN REPORTER CITATIONS is now being delivered to advance subscribers. This work is declared by the publishers to represent the fruit of their forty-eight years of experience in the citation field. The publication of this work, completes the system of Reporter Citations, providing a separate citation book for each unit of the National Reporter System.

One of the distinctive features of this work to which the publishers call attention is the fact that instead of giving the cases of each state embraced by the Southeastern Reporter in a separate section, all of the cases are combined in the numerical order of volume and page of the Southeastern Reporter. It is believed that this will add to the convenience of the investigator. Like the other Reporter Citation units, this work gives the investigator every state and federal citation of all Southeastern Reporter cases, as found in all units of the National Reporter System. The citations are analyzed, cross-referenced, and annotated in the thorough manner familiar to the users of the various SHEPARD publications.
